

YCHILD CARE

We build strong kids, strong families, strong communities.

Before and after school care

Working parents face the daily challenge of finding quality child care. We hear this from parents every day who want the assurance that their child will be in a safe, nurturing environment when they cannot be there. The Y staff is privileged to share this job with families like yours. Every child participates in a well balanced and well structured program.

Fox Chapel School District

- Before and after school program is open to children in Kindergarten through 5th grade in Kerr, Fairview and O'Hara Elementary Schools.
- After school program is open to children in Kindergarten through 6th grade at Hartwood Elementary School.

Play Tots

Ages 2-3

8 week classes

Our goal is to help your child begin developing basic learning skills and positive socialization habits through playtime activities. Songs, stories, crafts, and music are the focus of this early learning program. Children will have the opportunity to experience preschool in a relaxed and fun environment. The preschool setting will enable your child to make a successful transition to preschool next September.
